PAM AYRS HAWAIIAN

FUTURE SIREs

KEY POINTS

From the great Hawaii family comes a very exciting sire - Pam Ayrs Hawaiian. Hawaiian is a Lagace Ristourn son of Pam Ayrs Hawaii Five-O EX3 2E who is sired by Family-AF-AYR Poker Duncan. Five-O is not only a great looking cow but also a superior producer averaging 9,353kg at 5% fat and 3.6% protein in her 4 completed lactations.

Hawaiian is a sire who offers breeders the chance to use genetics that are different to many of today's bloodlines. He offers the complete package of Type, Production and High Components. As well as this he is also bred from a great cow family with his 3 nearest dams averaging just short of 94 points.
